LO AND BEHOLD (an artist-run non-profit organization based in Athens whose aim is to produce and promote cultural activities, both in Greece and abroad, with a focus on contemporary art) will participate in Supermarket Art Fair 2012 with the project PUBLIC DOMAIN. The project includes 25 artists / 25 site specifics located in 13 cities and it is curated by Artemis Potamianou and Giorgos Papadatos. Public Domain is a call for artists to create within the bounds of the urban landscape, and uses as an index, the unique nature of an artist's approach in an environment which is globalized, featuring similar problems and circumstances./ When: 17-19 February 2012 - Press preview 16 February / at Kulturhuset, in the centre of Stockholm.
